

Welcome

Trinity Home Health Care Services is a privately owned company with a long term vision to grow and reach out to those in need of nursing services at their own homes. Our dedicated staff members are committed to the success of the company and the wellness of our clients. They are equipped with up-to-date nursing skills and professionalism.

We offer services to seniors and children, long term and short term care, with simple home cooked meals to complex nursing services.

We do many things that affect the health and life of our clients and we do them right. We care about our clients' Care.

Nondiscrimination Policy

Trinity Home Health Care does not discriminate against any person on the basis of race, color, national origin, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment. For further information about this policy, contact Trinity Home Health Care representative at (952) 465-1959.

Trinity Home Health Care Services

About Us

Services Offered

The services offered by **Trinity Home Health Care** are coordinated and supervised by Registered Nurses and performed by respectful and trustworthy caregivers.

Under the guidance of the CEO and Vice President, who are both Registered Nurses with BSN and Certified Public Health Nurse, the company is driven by quality care.

We are committed to provide quality services to our clients with our goal to keep our standard of operation at greater or equal to the Standard Level Agreement (SLA) benchmark.

The **Trinity Home Health Care** Services team has strong foundation in providing top-rate health care in the client's residence. We make it a point that their recovery, rehabilitation or the in-home health care services they receive from us will gain their trust. By providing reliable services in an efficient manner, their confidence in the management and their assigned caregivers will merit a recommendation to others who need the same medical or non-medical attention.

With constant innovation and regular updates for the latest methods and information in health care, **Trinity Home Health Care** has managed to be one of the leading in-home nursing services provider.

Offering comprehensive services to our dear clients, we deliver with a personalized approach making them feel comfortable and taken care of in their home.

We offer specialized services such as:

- Private Duty Nursing
- Extended Private Duty Nursing
- Nutrition Services
- Care Giver Training
